

## CLSS RECERTIFICATION

It is time to renew your Prepared Childbirth Educators' certification as a Labor Support Specialist. Recertification through PCE maintains your status as a Certified Labor Support Specialist (CLSS).

### Recertification requirements include:

- 18 total hours of continuing education (CE) related to childbirth/obstetrics.
- Contact hours must be listed on each CE certificate.
- Accepted forms include:
  - Certificates that state that they are from a Nursing Approved Provider i.e. "This continuing nursing education activity was approved by the PSNA Approver Unit, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation."
  - Completed college transcripts that include the name of the College, your name and the childbirth course title & the date in which the course was completed. (General nursing courses do not apply.)
  - PCE Educational Packet.
- Hospital transcripts will NOT be accepted. Please print individual certificates.
- CE bank transcripts will NOT be accepted. Please print individual certificates.
- CE certificates must be dated after you became certified, or if you have renewed before, after your last renewal date.
- **Copies of CE certificates, completed renewal form listing your CE OB hours, and \$60.00 recertification fee must be submitted together in the same manner in order to be accepted.**
  - **Please only submit your materials once using one submission method:**
    - **Option 1: via email with credit card payment listed on the recertification form, with scanned copies of your CE certificates.**
    - **Option 2: via mail with either credit card information listed on your recertification form or with check payment & copies of your CE certificates (if you wish to pay by check, you must mail your completed registration form, check & CE certificates – a check will not be accepted via email)**

The CE certificates, completed continuing education list, recertification form and \$60.00 renewal fee must be submitted together in order for your renewal to be processed. Recertification paperwork is due by **December 31st, 2021 – however you can submit your recert anytime 6 months before that deadline**. You can submit your paperwork via US mail\*, or scan paperwork and email to [PCE@childbirtheeducation.org](mailto:PCE@childbirtheeducation.org). Submitting duplicate copies of your recertification forms may result in duplicate charges and will delay your renewal. **Paperwork postmarked or emailed later than your due date will have a late fee applied.**

**\*Please Note:** Due to the volume of renewals, the PCE office is unable to confirm receipt of paperwork via email or telephone. We suggest using delivery confirmation through US mail if you want a confirmation of delivery or sending your materials via email in which the PCE team will reply that it has been received. It may take up to 4 weeks to receive your renewal in the mail. Please plan accordingly.

If you don't have the continuing education credits necessary for recertification, a PCE continuing education packet is available for \$75. This packet consists of 6 articles and a cumulative answer sheet. By returning the completed answer sheet and recertification fee to PCE, you will fulfill your educational requirements for recertification, as well as receive a certificate for 8 continuing education hours. The other 10 hours will be waived. **You can order the packet online at [www.childbirtheeducation.org](http://www.childbirtheeducation.org) under the Recertification Section, or use this order form.**

### CONTINUING EDUCATION PACKET

To purchase an Educational Packet for continuing education hours, please submit a \$75 processing fee and this completed order form by one of the below methods:

- 1) E-mail: scan & email to [PCE@childbirtheeducation.org](mailto:PCE@childbirtheeducation.org) **OR**
- 2) Mail: PCE Recertification, PO Box 99, Fogelsville, PA 18051

Please note: You cannot prepay the \$60 recertification fee. It must be submitted with the answer sheet & recertification form after completion of the packet.
